TRAIL REPORT: Rod started his report with the news that it was snowing. There is no official date to open the trails as of yet. With this added snow it will probably be another week. Stay tuned. Grading is being done on Trail 21. The brusher has been repaired. They are now waiting for the new stand to put the brusher on so they can get it off the tractor and we will then have two tractors back in operation. The Hydraulic Pump, reservoir and controls have been traded for a 25 gal poly transfer fuel tank to haul fuel to the tractors. Rod met with Matt Hipsher from the town of Bell road maintenance man, and discussed the water erosion problem on FR 258 and the Lenawee trail. Rod plans on meeting with Sam Wiggins on Trail 40 and discuss the possibly of putting rock down on a wet spot on that trail. Jennifer is preparing a separate contract that will cover the brushing of trails. The bathrooms will be taken care of again by the same people that had them last year. Last but not least there is a ride going on Saturday, May 11th, so if you are interested in going meet at the Auto Parts store at 10am and the ride will leave at 10:30am. Carrie & Lew will be planning the ride for June 15th after the Wed meeting.

PRESIDENT'S REPORT: Jim received a letter from the Ladies golf league at Northern Pine's asking if we would sponsor a hole for their golf for cancer tournament to be held on June 21, 19 at Northern Pines. It was decided to donate \$100.00 to sponsor a hole. There has been some confusion on the routes to be taken on Hwy H.

Jim has been working with the Hwy department to add more signage to correct the problems. We have a new sponsor to our club which is The White River Saloon in Mason. Rod has found someone to start training to become trail captain. Roger Knabe will be working with Rod this upcoming season. Sherry & Gerry Walthers have been taking care of the jars and the Care Committee for several years. They are giving this up this year so volunteers were asked to take over the task. Julie Bender will handle the Care committee, and Wendy Hudak will be in charge of the Trails North Jars that are located throughout the community. We also have magnets and stickers again this year with the meetings on the magnets and Trails North logo on the stickers.

CARE COMMITTEE: Card was sent out to Amy Wangenstein as she just lost her brother. Care committee drawing tonight is for \$25.00 cash.

OLD BUSINESS: Meet & Greet is being organized for Memorial weekend, Rod has collected several prizes to be given away. The posters are out and the sheets for stamping will be disturbed the upcoming week. Jim also talked again about extending the opening of Hwy H all the way to Moon Lake Park. He will bring this before the County Board.

NEW BUSINESS: It was discussed to change the pricing on our care committee tickets. There was a motion made to make them 3-\$5.00 or \$2.00 each. Motion made by Rod A and seconded by Gerry W. Motion carried.
