**TRAIL REPORT:** Rod & Dan have been out doing a sign cruise to see what will be needed for this year's replacement and add on's. They will reorder signs. Jim and Rod met with the National Forest & County Service, in preparation for the upcoming season. Their meeting was very successful, and they are working with some new people the forestry has in charge. Dan was out doing some work on the grade on the Battleaxe trail. The equipment that we purchase from Lulich has not yet arrived so they are waiting on that, hopefully any day now. Rod will be working on cleaning out the waterways. The trails are not expected to open until the middle of the month due to the late weather conditions. Please check the Trails North website for updates. Jule and Nancy have volunteered to lead the June 16<sup>th</sup> ride. May has been cancelled due to unopen trails.

**PRESIDENT'S REPORT:** Jim received a Thank you note for the WATVA group for our membership. There was no one attending the meeting this year from our group. There will be a (4) person scramble at Northern Pines golf club for cancer on June 24<sup>th</sup>. Anyone interested contact Northern Pines for tee times. Jim has asked everyone to think of a place and ride for our annual picnic this year. That will be discussed at the next meeting. Randy Stegman has offered his corn cooker if we would be interested in using that. We have had several discussions on forming a membership list of people who would possibly like to be contacted if another member wants to ride on a certain

day. Frank will be sending out a snail mail and email for each member to answer if they want to be on this list. This will only be available to club members, with a phone contact number.

If you were to visit all 19, you will take (7) cards to make one poker hand, then if you wish you can have a second (7) card hand, that would then leave you with 5 cards left for a third hand.
