TRAIL REPORT: Rod gave his trail report. The contract for the National Forest has been proposed for 2019. It will also include a lot more work to be done on brushing. The need for brushing trails is needed badly so our club will begin doing that as soon as possible. There was an event at the Great Lakes Visitor Center that Jim D & Rod attended. The event was regarding some changes being made to the National Forest, they were looking for some suggestions from the public as to what changes should be made. There is going to be some changes made to the camp grounds, trailheads and the public restrooms. County trail work is done for the year. The tractors are in for servicing at Lulich and then will be ready for storage til Spring.

PRESIDENT'S REPORT: Jim was out of town for this meeting so we did not have a presidents report.

The menu was provided for our Christmas Party at Hyde's on December 12th. It will be provided at the end of these minutes. You will need to call Jim Bender 715-372-8753 with your choices by Dec 5th. Last year we think we donated around \$400.00 to our local food shelf. Rod brought to the club that if we are going to do any brushing of the trails we will need to purchase a brusher. He offered different options that we have with Lulich Implement. We could buy new or we can buy used. After a discussion a motion was made by Nancy Reijo to purchase a used brusher from Lulich and seconded by Amy Wangenstein motion carried.
